

## **Drop off/pick up**

Drop off/pick up are only allowed along the Clybourn Street.

**为了您孩子的安全, 请勿驶入!!!**

**For the sake of your child's safety, please DO NOT drive on the paths at the south entrance of the teaching building on Clybourn Street.**

There were some violations of this #1 MMCS school rule before / after MMCS school time. We need to remind all parents again to put SAFETY FIRST! Any car driving on the narrow path puts students at huge risk. This is strictly prohibited by Marquette too. We have had enough scary stories about students almost hit by parents who drove in! Safety is NO ACCIDENT!

Your child's safety is in YOUR hand! Let's take action!

1. Stick to the rule and DO NOT drive in.
2. Spread the words to your spouse and friends who drive your child to school.
3. Speak up if you see any violation.
